

Annual Heritage Days Craft and Vendor Show

Friday, June 15, 2018 and Saturday, June 16, 2018
10:00 a.m. to 7:00 p.m.*

Hello Crafters and Vendors,

It's that time to start planning ahead for the **Faribault Heritage Days Craft and Vendor Show** set for Friday June 15th and Saturday June 16th to begin at 10:00 a.m. until 7:00 p.m. (*the advertisements will say until 10:00 p.m. but that's to your own discretion). The show is an outdoor show and is located at Central Park, 2nd Avenue, NW, Faribault, MN. Since this is an outdoor event, set up can begin at any time the day of the show; however, we would like to have you ready for sales by 9:45 a.m. each day of the show. Take downs can be done earlier, however, you are encouraged to stay to the end of the event as advertised.

The advertisement for this event will be in conjunction with the Heritage Days and will be heard on FCTV, KDHL and Power 96 as well as in the newspaper, our website and social media. Please be sure to tell all your customers that you will be at this event and advertise as best you can through any social media outlets that you have.

\$35.00 will reserve you **ONE** 12x12 space and for \$50 you can have **TWO** 12x12 spaces. **Early bird registration is available if you send your registration in by May 1, 2017 which a \$5.00 reduction in total cost.**

We would ask that no refunds be made since this is part of our advertising budget and we cannot be refunded on that expense. If you've paid, it is your responsibility to make the show or sub someone in your space (in this event, please notify Kari of your substitution right away so we can make appropriate changes to our layout). This is set on a first come, first serve basis, therefore, only one vender for direct sales consultants (i.e. one Pampered Chef) is allowed.

If you require electricity, please contact Kari directly to see if we may be able to accommodate. Availability for this is very limited and you must be able to use a commercial grade extension cord.

Along with your payment, you will need to fill out the Operator Certificate of Compliance and return to Kari no later than June 5, 2017. Please contact us if you have any questions.
